## **Event #7**      **Mystery Interpretive Competition**

### What is a Mystery interpretive Competition?

For a mystery interpretive competition a piece of music, approximately one minute in length, is selected for each group of skaters. The music is kept secret until the time of the competition. At the time of competition, after a short practice during which the music will be played once, each skater will perform a solo to the music. The Skaters will be judged on how well they can improvise and interpret the music without any lengthy practice and not on the difficulty of the elements or movements the skaters use in the performance.

Group 1 - CanSkate Plus

Group 2 - Adults

Group 3 - Working on STAR 1-3 Dance tests

Group 4 - Working on STAR 4-5 Dance tests

Group 5 - Working on STAR 6-7 Dance tests

Group 6 - Working on STAR 8-9 Dance tests

Group 7 - Working on Gold and Diamond Dance tests

## **Event #8**      **Performance.**

This is not a judged event, rather an opportunity to perform a program to music of your choice. Example - free skate solo.

**FUN!**

### Please Note:

The Board reserves the right to:

1. Cancel events if there are insufficient competitors
2. Cancel events if there is insufficient time.
3. Group skaters by age where appropriate.
4. Combine or separate events depending on numbers.
